ABOUT US

Who We Are

The Peer Mentors Association Kenya (PMAK) is a national mentorship and counseling organization committed to empowering young people through mentorship, education, life skills, leadership development, and access to opportunities.

PMAK brings together peer mentors, mentees, students, professionals, institutions, clubs, cohorts, unions, and partners who share a commitment to developing responsible, skilled, confident, and visionary individuals who can positively contribute to society.

Through its national, regional, and county structures, PMAK provides platforms for mentorship, personal development, education, leadership, entrepreneurship, talent development, and community engagement.

Our Vision

To build a disciplined generation that is self-driven, successful, and can go to heaven.

Our Mission

Empowering young people through mentorship, counseling, life skills, education, leadership development, and access to opportunities, while building a strong network of trained mentors committed to supporting the growth and success of others.

Our Objectives

- To contribute to efforts addressing youth unemployment and economic challenges.
- To support students in improving academic performance and applying knowledge effectively.
- To increase access to relevant information and opportunities for young people.
- To holistically develop and prepare future leaders.
- To strengthen positive relationships among young people, parents, teachers, communities, and government.
- To empower young people with practical life skills for personal and social development.
- To promote national values, responsibility, and positive citizenship.
- To create opportunities for mentors to develop their skills and support the growth of mentees.

Core Activities
